Subject: San Jacinto Dive Support

Gary – As we discussed, Neil Henthorne's contact information is attached. Neil is the primary contact at Benchmark Ecological for the dive support during EPA's visit scheduled for December 8 – December 11. Please have one of the dive team members coordinate with Neil this week on exactly what their needs are for the boat, and the schedule. If I'm available, I can participate in a call too,

9680607

but my participation is not required as long as Neil follows up with me on the outcome.

Thanks,

David
